

C. A. Donehoo Elementary School

C. A. Donehoo's vision is to create critical thinkers who use their perseverance to positively impact their future.

Vision
C. A. Donehoo is a place where staff and community are dedicated to students as they achieve their highest potential.

Mission
C. A. Donehoo believes that all students are entitled to a quality education provided by compassionate teachers in a safe and empowering environment. We will celebrate student and school accomplishments as we work toward building a global society based on reading and STEAM philosophy.
